Ranachqua Foundation was established in 1948 by former Bronx Boy Scouts who during the summer months attended the Ten Mile River Scout Camps in the 1930s. The summer camp experience provided them with early leadership opportunities that, to a large degree, significantly affected their lives. This group, a few at first, grew while they worked together each summer and moved into staff positions at camp.

Wanting to encourage others to partake in this program, they raised funds to provide campership money for Bronx Boy Scouts who would otherwise not be able to attend. Currently, we assist in providing the opportunity for several hundred boys to attend the Ten Mile River Scout Camps and Alpine Cub World each summer
