Where do I stay at Cub World?

You'll be placed in one of the Cub World campsites where you'll stay in raised platform canvas two person tents. All come equipped with two metal bunks and mattresses, and the platforms are either wood or concrete depending on your site. Questions about specific campsites can be answered by calling 212-651-3073 or 212-651-3077.

What is the basic schedule for the day?

At Cub World, the day begins with a flag ceremony in front of the Dining Hall at 7:45 am. We then head straight in for breakfast at 8 am. At 9 am, program begins and runs until noon. 12:15 pm is lunch, followed by an hour long siesta. Program resumes at 2 pm and runs until 5 pm. At 5:45 pm, we gather again, in uniform, for the evening flag ceremony before heading into the dining hall for dinner at 6 pm. Evening program runs from 7-9 pm, and lights out is at 10 pm.

At Pouch Day Camp and Alpine Day Camp, the day begins at 9 am sharp with a flag ceremony. Program begins immediately after, and, aside from a break at lunch time, runs until 3:30pm. We conclude the day with another flag ceremony, and pickup is at 4 pm. Extended morning and afternoon hours means that Mom and Dad can get to work on time with the earliest drop off time being 7 am and the latest pickup time being 6 pm.

Programs will include pool, archery, bb gun, climbing, sports, Scout skills, arts & crafts, nature, fishing, metal detecting and much more! Note that not all of these activities are available in each camp.

What is the layout of the camp?

You can find maps of both Alpine and Pouch at www.alpinescoutcamp.org and www.camppouch.org under the resources tab.

What Medical form do I need?

All Youth and Adults who attend Cub World Summer Camp are required to have parts A, B, & C of the BSA Medical Form completed and signed by a doctor. Those who are attending one of the Day Camps need to fill out only parts A & B. The Medical Form can be found at: <https://www.tenmileriver.org/health>

New for 2018

At Cub World, we will be having a brand new theme in 2018: Expedition Discovery! Explore the African Savannah, the Amazonian Rainforest, and Cubassic Park! Each Scout will receive a passport book to document their journeys, and will be able to keep track of the advancements and pebbles they're earning along the way.

In addition, the Cub World program delivery model will be revamped as well. Instead of a "round robin" group style program, each Scout, leader, and parent will receive a "Times Guide" on which they will find the schedule for the day. In this way, the Scouts can choose their own adventures to go on. Units can take these guides to map out itineraries for their groups as they see fit, or individuals can go off on their own to explore different parts of the camp. It is entirely up to the campers.

Den Building & Initiative Games- Challenging games that teach Scouts to work together to achieve a common goal, all while having FUN.

Aquatics- At Alpine, just swimming (with a few boating strokes taught for certain badges). At Pouch, swimming, row boating and paddle boating.

Scout Skills/Akela/Webelos Village- Traditional Scouts skills, like knot tying, lashings, map and compass, fire building, outdoor cooking, first aid.

Arts & Crafts- Gives Scouts the opportunity to be creative and express themselves via paint, sculpture, drawing, and more.

Nature- Scouts get to study the world around them and the beauty of the natural landscape. Many advancements are earned here at Cub World.

Campwide Games- An opportunity for all Scouts in Alpine to come together to play games around the camp. All about FUN.

Pebble Patch- A recognition item at Cub World that Scouts earn throughout their stay. Some can only be awarded for fulfilling certain requirements in camp. Others are earned in certain program areas or for attending certain programs and may be purchased in the Trading Post.
